

Dear Parents, Guardians and Carers,

It is hard to believe we are at the point of planning for next academic year! Please find below your child's stationery, textbook and resource list for 2021-2022. Following an in-depth look at our own projected and actual costs of the book/resources/stationery payment money over the last few years, we have come to the conclusion that we must implement changes to this payment. We believe these costs are more in line with other local schools and a more accurate reflection of our expenditure.

DLETNS will organise the purchasing of the following on your child's behalf.

Over the Moon Skills Book Senior Infants (Gill)	9

* As we are a developing school, each year, we are setting up a new class and a new classroom. There is significant expense associated with this, some of which is covered by grants from the DES, some of which isn't. To help cover the balance, we are asking each child in the school to contribute €5.

The total cost is: €217 The payment can be made online directly into the school's bank account. Please reference the payment using your child's name. It would be appreciated if payment was completed by **Friday the 4th of June**. Or if you would like to make the **payment in two instalments** the first payment can be made on **Friday the 4th of June** and the second payment can be made by **Friday the 25th of June**.
